#### From the President's Desk

hew! What an amazing week it has been. Beginning with the installation ceremony on the 1<sup>st</sup> which saw a huge outpouring

of support and good wishes from all present. Thank you so much for being there in such large numbers with so much enthusiasm.

And how heartwarming was the response to our Chief Guest! Mrs. Gandhi's typically witty, gritty address moved, inspired, amused and motivated a spellbound audience. Much of what she shared was an eye opener, and a heart opener for many.

Balanced with music, merriment and *chatpatta* street food, the evening was a fit precursor of the year to come.

With the monsoon in full swing, so are we. I trust you have waded through the program and are prepared for the deluge of activities. Just jump in. Things are going swimmingly.

### I'm Astounded By How Quickly India Can Change!

n a remarkable turn of events, Guest of Honor, Mrs. Maneka Gandhi, who's list of achievements and contribution is beyond compare, decided to give us an insight into the various projects initiated and undertaken

by her Ministry. It was none of what one would expect from a Minister, but rather a truth-telling tale.

Starting her tenure in a borrowed office, and with nothing having been done, gave her an opportunity to bring in the reforms she envisioned. She broadly divided her work into three sections, i.e. women & children's safety and defense, women's economic empowerment as well as their social empowerment.

In order to ensure women's safety, it was important to sensitize the police. This systemic change was done by increasing the ratio of policewomen to 33% in 7 states and Union Territories.

The next step was to create *Sakhi* centers, which are one-stop centers equipped with a lawyer, doctor,

psychiatrist, nurse and 8 beds. Other important initiatives under Women's safety include the incorporation of the panic button in cellphones, *Shaurya Dals*, etc.

The 1098 Child

Helpline, run in association with TISS and 700 NGOs, assures a turn-around time of 1 hour. www.khoyapaya.gov.in is a platform for reporting and tracking of missing children.

While legislation is in progress to ban child trafficking, about 4 lac children are sold outside the country every year. Another very important project is *Beti Bachao* as it aims at correcting the male-female ratio along the western length of the country.

In a bid to strengthen women entrepreneurs, Mahila e-Haat, an online marketing platform for women was launched in association with Amazon.

Concluding her speech, Mrs. Gandhi reiterated, that people who open their hearts do so for all, and not in fragments.

## 2016-17 Presidential Installation Dr. Mukesh Batra Assumes Office as President

 $( \blacklozenge$ 

t was an evening filled with cheer and revelry as members gathered in large numbers to commemorate Dr. Mukesh Batra's installation as the 89th RCB President. The meeting started on the musical notes of *'Itni shakti humein dena daata...'* sung by his very-talented grandson, Hriman Batra.

The installation took place in the presence of Hon' Union Minister for Women and Child Welfare, Mrs. Maneka Gandhi; District Governor, Gopal Rai Mandhania, and other distinguished guests. Dr. Batra set the tone for the year by saying, "My priorities and approach are largely shaped by my own 44 years experience as a doctor. Fortunately as with homeopathy, I shall keep my prescriptions sweet yet sure, painless but permanent."

۲

"My focus area will primarily be health, and as a natural extension, education. This is because, health is no longer just a medical issue - it has increasingly become a social issue, more to do with gender, economics, environment, sanitation and scores of other factors. A child's wheezing is as much about his lungs, as about his parents fight last night."

"Therefore, I would like to focus on three Cs, i.e. Compassion, Commitment and Camaraderie. Compassion is what converts cheque-book charity into a caring investment. Commitment is what turns a committee into a force for change, and Camaraderie is the glue that strengthens and holds us together!"

It couldn't have been a happier occasion as Dr. Mukesh Batra's Presidential installation happened to be on the same day as his 65th birthday. Surrounded by Union Minister, Mrs. Maneka Gandhi, jewelry designer Farah Khan, celebrated ghazal-singer Pankaj Udhas, actor Madhoo Shah, family, friends and fellow Rotarians, Dr. Batra cut his cake, while Hriman Batra eagerly awaited his turn to feed 'grandpa'

## 2015-16 LAST MEETING & AWARDS NITE President Dr. Sonya Mehta Takes A Bow

he last meeting for the Rotary year 2015-16, started off on a high note with President Dr. Sonya Mehta inducting three new members followed by the most sought-after Excellence Awards.

After much fun and entertainment, when Dr. Sonya took over as the speaker, there was a sense of nostalgia - it was almost as though members had a quick recap of how eventful the past year had been! In a very personal and unassuming manner she spoke her heart, of her

various experiences, and of the things that the position had taught her. "It has been a year filled with many milestones and numerous achievements, but for me, what stands out is the enormous support and friendship that I have received."

"And while I'm looking forward to some much needed down time, I'm sure this amazing Club will go from strength to strength, and I'm glad to have had the opportunity to be part of this legacy", said Dr. Sonya.

On a lighter note, Rtn Ashish Vaid announced a very unique category Losers of the Year Award for those who had achieved victory over mind and body. The winners of this were PP Sandip Agarwalla and PP Paul George. From the context of the awards, 'PP' stood for 'Post Paunch' and not Past President, as together they had lost an enormous 70 kilos!

Vaid also summed up Dr. Sonya's tenure as being filled with speakers that kept the members raptured; fellowships that made the members laugh, sing and dance; outstanding trips to ISRO, Benaras and Tadoba; as well as projects and fund raising - all raising the bar (no pun intended). He ended his rather hilarious speech with the famous Bollywood song, "Kehdo na Kehdo na you are my Sonya...'

## DG Certain About Our Club's Contribution

ddressing Dr. Batra and the large audience, District Governor, Gopal Rai Mandhania said, "As the President of this Club, you need to have very big dreams and of course, big targets. However, it is those dreams and targets that will

provide you with different, exciting experiences and learnings everyday."

"Over the years, Rotary Club of Bombay has built many temples of service to mankind, and Talwada is one of them. The membership, service projects and the unmatched efforts put in by all, including past Presidents and my friend, late Ajit Deshpande, make this a premier club in our district."

"This being the Centennial year and District's Pratham year, we have

**( ( ( )** 

taken up the challenge of contributing \$2.65 million to TRF, which comes to \$500 per capita. I seek your support towards this contribution, and expect at least 4 new AKS members, 25 new Paul Harris Society members, 100 percent of PHF and

ERY Club. And I'm sure that you will come forward and make our dream come true."

"We have planned six mega events to commemorate the TRF Centennial year. The mother of all these events, will be the Rotary Centennial Race for Mankind, on 29th November, at Mahalaxmi. During this event, 7000 Rotarians along with their families and friends will gather to make it into one of the most memorable events of the year."

### Blood Donation Drive by RCB

he District Thrust Committee of RCB along with other Rotary clubs in south Mumbai organized blood donation camps at the CST and Churchgate railway stations on the 1st July. As part of this drive, members of the Rotaract Club of Jai Hind Collage and the Rotaract Club of Churchgate performed a street play at CST railway station to spread awareness not only about blood donation but also to eradicate the taboo around organ donation. Total Blood collection was 152 bottles. "The measure of life after all, is not its duration, but its donation. The best social cause to start a new year with", said Bharvi Chheda, President of RCJC.

#### Rotary International News

# Council Grants Clubs Greater Flexibility in Meetings & Membership

The 2016 Council on Legislation will certainly be remembered as one of the most progressive in Rotary history. Not only did this Council grant clubs more freedom in determining their meeting schedule and membership, it also approved an increase in per capita dues of \$4 a year for three years.

The Council, which is an essential element of Rotary's governance, adopted measures that are effective from July 1. The first measure allows clubs to decide to vary their meeting times, whether to meet online or in person, and when to cancel a meeting, as long as they meet at least twice a month. The second allows clubs flexibility in choosing their membership rules and requirements. Both passed.

Representatives also approved removing six membership criteria from the RI Constitution and replacing them with a simple requirement that a member be a person of good character who has a good reputation in their business or community and is willing to serve the community.

The \$4 per year dues increase was based on a five-year financial forecast that predicted that if Rotary didn't either raise dues or make drastic cuts, its reserves would dip below mandated levels by 2020. Vice President Greg E. Podd said that the increase will allow RI to improve My Rotary; develop resources so clubs can offer a better membership experience, simplify club and district reporting, improve website access for Rotaractors, and update systems to keep Rotary in compliance with changing global regulations.

Also because of this Council's decisions: A Council on Resolutions will meet online annually to consider resolutions – recommendations to the RI Board. Council members will be selected for three-year terms, wherein they will participate in the Council on Resolutions for three years and the Council on Legislation in their final year only. Doing so will free the Council on Legislation to concentrate on enactments - changes to Rotary's governing documents. Rotaractors will be allowed to become members of Rotary clubs while they are still in Rotaract. It's hoped that this will boost the numbers of qualified young leaders. The distinction between e-clubs and traditional clubs will be eliminated. The Council recognized that clubs have been meeting in a number of ways, and given this flexibility, the distinction was no longer meaningful. Clubs that have 'e-club' in their names can keep it, however. The reference to admission fees will be removed from the bylaws. A standing committee on membership was established, in recognition that membership is a top priority of the organization, and polio eradication was also reaffirmed to be a goal of the highest order.

# **NEXT WEEK'S SPEAKER**

۲

tarting his career as Assistant Superintendent of Police, Rakesh Maria has earned a reputation of being one of India's toughest cops. In 1993, twelve explosions rocked the city, killing over 350 people. Maria, who was then the Deputy Commissioner of Police, Traffic, cracked the case in less than 24 hours.

He interrogated Ajmal Kasab just hours after the Pakistani terrorist was caught alive. The questioning led to important information being relayed to the National Security Guard

# Mr. Rakesh Maria, DGP - Home Guard

commandos engaged in a fierce battle with Kasab's associates at Hotel Trident, Tai Mahal Hotel and Chabad House. Using mental games on a highly indoctrinated terrorist, he got him to admit not only his role, but also that of his controllers in Pakistan.

As chief of Mumbai's Anti-Terror Squad (ATS), Maria uncovered the network of Indian Mujahideen and its sleeper cells of homegrown terrorists who had planted bombs in Delhi, Ahmedabad, Varanasi, Mumbai and others cities.
