### RCB's Suresh Goklaney Nominated For Rotary Responsible Business Honor at UN

rom the United Nations' earliest days, in the aftermath of World War II, the organization's humanitarian mission has always dovetailed with Rotary's efforts to administer aid and build peace.

Scheduled to be held at the UN Headquarters in New York City on 12th November, the theme for this year's Rotary Day is 'Responsible Business, Resilient

Societies'. It aims to recognize Rotary's role in creating a more just and equitable world, and will thus recognize six Rotary Responsible Business honorees and two business partners for their inclusive business practices and outstanding contributions to improving their communities.

Marking this momentous occasion for RCB is the nomination of Rtn Suresh Goklaney for his efforts to provide clean water in rural villages and impoverished

Rtn Suresh Goklaney, Executive Vice Chairman, Eureka Forbes

urban areas throughout India, as well as the Jal Jeevan project which enables local women to generate income by selling clean water.

To gain better insight into the initiative, we spoke to Rtn Suresh Goklaney, and here's what he had to say...

#### Tell us about the Eureka Forbes Institute of Environment (EFIE)

### How did your association with Jal Jeevan come about?

Our dream is to provide safe drinking water to each and every Indian. Working towards this goal, we have already set up over 350 Community Water Purification Plants & Systems in rural areas and urban slums on pan India basis. Rotary has also been working extensively towards similar goals of providing water and sanitation which is one of their key thrust areas. We started our work with Rotary Club of Bombay in the year 2000 by installing Aquaquard Water Purifiers in various communities' viz. schools, gardens, and police stations. However, we wanted to serve larger communities on a self-sustainable basis. That gave birth to our first Jal Jeevan Centre at the Rafi Nagar Slums in Govandi (which is one of the largest slums in Mumbai!) in June 2015. This plant is serving around 10,000 people every day and is run by 'Muskan Mahila Bachat Ghat', a self-help group (SHG) from the same community. The SHG sells water at a subsidized rate to the community and the income generated from this sale of water takes care of the operating expenses. This also creates a respectable source of livelihood, thereby making it a self-sustainable model. The success of this plant has created ripple effect and we have successfully installed our second plant in another slum area of Mumbai viz. Rathodi village, Malwani at Malad in October 2016.

### Where do you envision this project to be in the coming years?

To begin with, EFIÉ has already signed a MOU with RCB for setting up 9 Jal Jeevan Centers in the urban slums of Mumbai in three phases. However, our vision is to set up 50 such plants in the urban slums of Mumbai with RCB. We are also working with other Rotary Clubs to spread this movement to achieve our goal of setting up 1,000 Community Water Plants across India over the next 3 years.

# RCB Inaugurates Its Second Jal Jeevan Center

RCB's Jal Jeevan Project was awarded a Global Grant this year by The Rotary Foundation for setting up clean and safe drinking water, on a sustainable basis, at slums in Mumbai.

In keeping with this premise, on October 16th, RCB inaugurated its second Jal Jeevan Center at Rathodi village in the Malwani slums of Malad, with international partner Rotary Club of Detroit and in collaboration with Eureka Forbes Institute of Environment (EFIE).

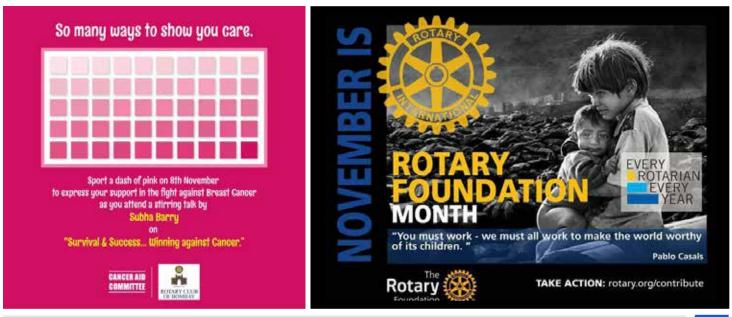

With it, thousands of Rathodi inhabitants will benefit by buying drinking water at a subsidized rate of ₹10 for a 20-litre jar from a Reverse Osmosis water purification plant installed by EFIE.

The plant is run by a Self Help Group (SHG) who earn money from the sale

of water using a social business model conceived by RCB. The profits from the sale of water will be used for upliftment of the local community for purposes such as water and sanitation, as well as economic development, which are key thrust areas of Rotary.

The plant was inaugurated by President Dr. Mukesh Batra, District Governor Gopal Mandhania and District Secretary Rtn Ashwin Shetty. Amongst those present were Rtn Suresh Goklaney, Executive Vice-Chairman, Eureka Forbes; Rohan Dalal, Chairman - Water Resources Committee; PP Sandip Agarwalla - the vision behind the project; Director Ravi Fotedar, Committee members Vineet Suchanti, Mahesh Khubchandani, Christopher Bluemel and Bimal Mehta. Also present were President Nominee Jaqdish Malkani and Director Jaidev Merchant.

# Diwali Celebrations 2016 Fellowship

ike every year, this year too, the Diwali Nite Fellowship was celebrated with great pomp and enthusiasm.

Held on 25th October, the beautifully decorated MVM Banquets provided a perfect backdrop to the soulful musical renditions by many Rotarians including our very own President, Dr. Mukesh Batra, who wowed all with his melodious voice.

The night of festivities offered a great opportunity for bonding and merriment as members took to the floor and set it ablaze.

Women, who were looking splendid in bright traditional attire, danced to the tunes of Garba, and then moved on to more contemporary forms, while thoroughly enjoying themselves.

A big thank you to all the sponsors who made this memorable evening even more special complete with delicious food, entertainment and revelry.

## A Delightful Diwali For Bhavishya Yaan Students

his Diwali, RCB and the Rotary Club of Queen's Necklace spread cheer by donating sarees and suits to the Bhavishya Yaan students of G K Marg Municipal School, and plan to do the same across all others in due course.

In this first-of-its-kind project between the two Clubs, donors Karishma and Pooja who own Bharat Vastralaya and manufacture sarees and suits under the Karishma brand, committed to donate 1000 pieces (every month for one year) to RC of Mumbai Queen's Necklace, who will be identifying deserving persons to benefit from this kind gesture.

Introduced by PP Nirav Shah, the initiative was well-received by the students who welcomed them with handmade Diwali cards and gifted Rotarians diyas that they painted themselves, while 8 alumni spoke about their journey and volunteered to facilitate the program. Amongst those present were President Nominee Jagdish

Malkani, Preeti Mehta, Manish Reshamwala, Madhusudan Daga, Freyaz Shroff and Rotaryannes Poonam Surana, Damini, Asha Shah, Rachana, Bijal Kara, and coordinating Rotaryannes Ekta Shah and Priyanka Jatia from RCB. And from RC of Mumbai Queen's Necklace were President Rajen Shah and his team of Rotarians.

A special thanks to Rotaryanne Devina Shah for leveraging the strengths of both the Clubs for this donation drive.
