

## "Service to humanity is the greatest service to God."

Let us pledge to be candles that spread the light of education, health and better living for those who cannot afford it.

Let us work for something bigger and beyond ourselves. The Rotary Club of Bombay under the dynamic leadership of the Past Presidents has worked tirelessly in this direction.

As we step into our Club's 90<sup>th</sup> year, let us strengthen and accelerate these endeavours.

During the year we plan to concentrate on the following areas:

- Medical
- Environment
- Literacy
- Water

We kick-start this year with 'Jal Jeevan', a rural project which provides safe drinking water to slums, hospitals, schools and jails. Besides this, we have two other Water Projects, one in association with the Paani Foundation, headed by Aamir Khan, the actor - supported by Reliance Foundation, Ajay Piramal, Bajaj family, Tata Trusts, H T Parekh Foundation, HDFC Bank, Bharatiya Jain Sanghatana

and the Government of Maharashtra. The other project is with WOTR Foundation where safe drinking water will be provided to villages in Marathwada and Jalna districts. The total expense outlay on these water projects is expected to be ₹10 crores.

We will also dedicate our efforts towards better health care and have planned several medical camps and facilities towards this purpose.

We have planned various initiatives to renovate and improve

Rtn. Vijay Jatia

the facilities at Masina Hospital and provide medical aid to the underprivileged. Noor Hospital has also agreed to provide certain medical services free of cost.

On the environment front, President Ramesh has already

Top (L to R) : Vedant, Mudit, Vijay and Sidhant Jatia  
Bottom (L to R) : Priyanka, Gauri and Prerna Jatia and grandchildren, Uttkarsh and twins Devesh and Divyansh

initiated attaining the platinum LED certification which will be spread over 2 years. We also plan to illuminate the Chhatrapati Shivaji Maharaj Vastu Sangrahalaya.

As a continuing project we will be taking measures towards looking at the restoration of the Durbar Hall at the Asiatic Library and towards digitization of books.

Besides this, we have many exciting fund raising and public image activities in the pipeline, the proceeds of which will be directed to our several initiatives as well as continuing the laudable work on the ongoing projects.

I believe each one of us have our unique gifts to offer and can empower others within as well as outside our Club. It is heartening to see that each Committee has prepared a blueprint of the work we plan to execute this year. We have selected a set of high value activities as a part of this plan.

Quoting from my coach Sonia Mehta, "Let us work for a Cause, not for Applause."

I am grateful to find a loving and supportive life partner in my wife Gauri. She has also served as a Past President of the Inner Wheel. We have three sons - Vedant, Sidhant and Mudrit,

who are successfully managing the various businesses. Mudrit, a Rotarian of our Club and his wife Priyanka are very active in the Club as well. Gauri and I are fortunate to be blessed with five grand children. On the professional front I am the Chairman and Managing Director of Modern India Limited. The company has become a well-entrenched conglomerate growing from strength to strength in Infrastructure and Real Estate with interests in other businesses viz., Renewable Energy, Trading and HR services including Background Verification.

## MESSAGE FROM RI PRESIDENT - RTN. BARRY RASSIN

Dear Rtn. Vijay,

I want to congratulate you on your installation to the office of 2018 - 19 as Club President.

Although the details of each position differ from year to year and place to place, your ultimate responsibility is the same as mine. We work to move Rotary forward, doing whatever we can do to make the part of Rotary that we're responsible for as effective and efficient as it can be. We make sure that we are transparent and accountable while changing the lives of as many people as possible. And we ensure that Rotary provides the best possible experience to its members and continues to grow, all while remaining useful to the world.

It's only by coming together that we're able to accomplish so much. Without active members

(L to R) RCB President Vijay Jatia, RI President Barry Rassin and DG Shashi Sharma

like you, Rotary wouldn't be the organization it is today. As our new vision statement says: Together, we see a world where people unite and take action to create lasting change across the globe, in our communities, and in ourselves.

Congratulations again on your appointment as Club President. I look forward to having you join me to "Be the Inspiration".

Sincerely,

Rtn. Barry Rassin  
RI President

## MESSAGE FROM RI PRESIDENT 1991-1992 – RTN. RAJA SABOO

Dear Vijay,

In the year 2018 - 19 Rotary Club of Bombay will turn 90. One wonders, do the institutions decay with age as humans do?

Just a few days back PRIP Chuck Keller passed away at 94. He was an outstanding person but last 2 years he slowed down and finally he had to go. Do institutions go the same way? Is this the way life is?

Yes, institutions also decay. However, there is a difference. While institutions do decay with time but with human efforts the process can get reversed and instead of decaying, it collects history and moves forward powering the engine of change. Lord Buddha had said, *"Buddham Sharnam Gachhami, Dhammam Sharnam Gachhami, Sangham Sharnam Gachhami"*. The start is with Buddha, the individual. Next is Dhammam,

the conduct and ethical behaviour and ultimately it is the Sangham, the institution.

I suppose Rotary follows the same pattern, the same philosophy. The individuals follow the philosophy of ethics and service and then institutionalize the togetherness – of One – transcending into the power of an institution. Rotary Club of Bombay is the ideal model of transformation, avoiding the decay but diversely transforming the power of each member to the powerhouse of the change to remain vibrant and relevant at all times.

It is not an accident but has been deliberate action by the continuing leadership of the Club motivating each member to "Be the Inspiration", to accept responsibility and initiate projects, to bring equally eligible new members and to demonstrate the

power of One. This is how the Rotary Club of Bombay today is shining with the largest membership, quality projects and has been an apple of the Rotary world's eyes.

I salute President Vijay Jatia and the Rotary Club of Bombay, on its 90<sup>th</sup> birth year.

## MESSAGE FROM RI PRESIDENT 2011-2012 – RTN. KALYAN BANERJEE

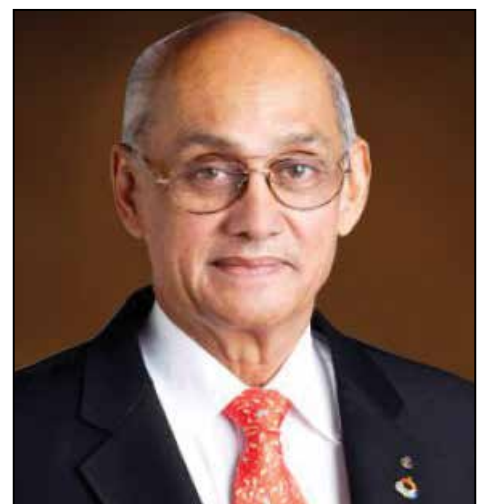

Dear Vijay,

Having had the privilege of seeing Rotary clubs in many countries and in all climes, I think Rotary Club of Bombay is one of my top favourite clubs. It has everything. Really outstanding members, all achievers, they meet in a very prominent place at a suitable time. They have a regular bulletin of outstanding quality and the quality of their all-round service is unparalleled.

This I have told many clubs on many occasions: If you want to know what a model Rotary club should be like, visit and learn from the Rotary Club of Bombay.

RI President (2011 - 2012)

## MESSAGE FROM TRF TRUSTEE - RTN. GULAM A. VAHANVATY

Dear President Vijay and my friends at the Rotary Club of Bombay,

I am pleased and privileged to present this message for our first issue of "The Gateway" our weekly bulletin which is an important publication for members of the Club for sharing information and programs for the Rotary Year 2018 - 19.

Rotary Club of Bombay is the premier Club of not only our District 3141 but in all of India. It has been doing yeoman service in giving the underprivileged of the community meaningful opportunities for a better life and the commitment shown by members towards Rotary is truly heartwarming.

It is my privilege and good fortune to belong to this prestigious Club, and I have no doubt that with your leadership, RC Bombay will continue to grow and serve the needy in all Avenues of Service.

Rotary and Rotarians are a dynamic force for Peace. Let us together ensure that the fraternal bonds continue to strengthen, and that each one of us plays an important role in contributing to Peace and Goodwill, not only in our Clubs, Districts and Region, but around the Globe.

Let us continue to Make a Difference and Be the Inspiration for Doing Good in the World.

With my best wishes to each and every member of the Rotary Club of Bombay,

Rtn. Gulam A. Vahanvaty  
Trustee (2018 - 2022)  
The Rotary Foundation

### About Rtn. Gulam A. Vahanvaty

He is an alumnus of two of Mumbai's finest Educational Institutions, St. Mary's High School, Byculla and St. Xaviers College, Fort.

He was selected for a Post Graduate Diploma in Management by I.I.M. Kolkata on the basis of a very competitive examination and upon graduation in 1970, was invited to join the Tata Administrative Service (T.A.S.) which in its heydays, was the Finest Administrative Service in India, where only the best and the brightest were selected and groomed for High Office.

Unfortunately, due to his Father's indifferent health, Gulam had to leave T.A.S. in 1974 and take over the reins of the Family Business of Scrap Processing and Ship Breaking.

Gulam's initial "Eureka" Moment in Rotary happened in 1978 when he was selected as a Member of the District 3141 Group Study Exchange (GSE) Team bound for Rotary District 656 in Indiana, U.S.A. To this day he carries fond memories of the families that hosted him.

In December 1979 he was invited to join the Rotary Club of Bombay Downtown, and in 1985 - 86 was elected to serve as President.

In 2002 - 03 District 3140 elected him as District Governor.

As District Governor, he united the District Leaders and Presidents of disparate Rotary Clubs, big, small, committed, hesitant by a motivating message "Working Together Works," and Working Together, did Work. It resulted in a record contribution to TRF in District 3140 of US\$ 654,000, the largest contribution by any Rotary District in India till 2006 - 2007.

There was, however, an equally big game-changer... the Jan Seva Abhiyan or Railway Station Adoption Project. Rotary Clubs across the District adopted Railway Stations and made it their mission to ease the hassles associated with local rail commuting. Most leaders would balk at attempting an exercise of this

magnitude but it was an unqualified success which resulted in very positive PR for Rotary.

In acknowledgement of his Motivational and Training Skills and his record collection for TRF he has been, among other International appointments, Training Leader (twice), Rotary Regional Foundation Coordinator, Chairman of RI's Communications Committee, Chairman of TRF's Alumni Advisory Committee, Member of the critically important TRF Future Vision Committee and member of TRF Peace Centers Committee.

A Major Donor, he is a recipient of RI's Service Above Self Award and TRF's Citation for Meritorious Service and Distinguished Service Award.

His Motto of Service encompasses other initiatives. He is a Member of the Governing Board of Mumbai First, a high-powered group of citizens committed to improve the quality of life in Mumbai, Trustee of the Mohalla Committee Movement Trust and Public Concern for Governance Trust, both spearheaded by Mumbai's Former Police Commissioner Julio Ribeiro that works for probity in public life, promoting the use of RTI and promoting Communal Harmony.

A proficient rider from childhood, horses have always been a passion. He is currently a Committee Member and Steward of the Royal Western India Turf Club Ltd.

Haseena, his spouse and the love of his life passed into the ages on New Year's Day in 2015. Everybody who knew her also knew that Gulam was blessed to have such a life partner.

Son, Zameer, a partner in the family business, which now encompasses diversified ventures, daughter-in-law, Khatija, grand daughter Sumehra, son-in-law Satpal Brainch, daughter Zahabia and their sons Rishaan and Jaiyaan, are a testament of the inclusiveness and understanding of this remarkable individual.

## MESSAGE FROM RI DIRECTOR ELECT – RTN. DR. BHARAT PANDYA

Dear Fellow Rotarians,

Happiness is found in lending a helping hand. Volunteering time for a worthwhile organization. And we have found Rotary to be this worthwhile organization. The good work of Rotary happens in Rotary clubs. Through its multifarious service activities and projects the Rotary Club of Bombay has always been at the forefront of making a difference in our community and our world. I salute the Rotarians of RC of Bombay for the good work that they do.

The time for action is now. As a leader once said "Everyday that I live, I realise that the waste of life lies in the risks we have not taken, the power we have not used, the love we have

not given." Rotary gives us the opportunity to take those risks by Thinking Big and Doing Big; to use whatever power we have to reach out with a helping hand and to share our Love and Compassion. Rotarians like all of you at the grassroots are the strength & inspiration behind our organization.

I compliment the outgoing President Ramesh Narayan and the 17 - 18 team for the good work they did. Change of leadership always brings a new vision, a breath of fresh air, newer, bolder thoughts. I am sure that under the leadership of President Vijay Jatia RC of Bombay will keep scaling newer heights in Rotary service. My best wishes to Pres. Vijay & his team for the year 2018 - 19.

*Remember, Happiness is a perfume you cannot pour on others, Without getting a few drops on yourself. Reach out, Touch lives, Spread Happiness and Be the Inspiration.*

Enjoy Rotary Enjoy Yourself!

Rtn. Dr. Bharat Pandya  
RI Director Elect

### About Rtn. Dr. Bharat Pandya

During his year as DG, D 3140 he contributed over \$2 million to TRF and for the first time in the history of TRF an Indian District - D 3140 became No.1 in TRF contributions in the entire Rotary world.

He has served Rotary as the Regional RI Membership Coordinator (RRIMC), Rotary International Training Leader twice in 2009 - 10 & 2010 - 11, GETS Chair, Member of the RI Sydney Convention Promotion Committee, Member of India

National Polio Plus Committee (2011 - 15), Training Leader for Rotary India Literacy Mission, Dist. 3140 COL Representative to COL 2013 & GETS Trainer (7 times). He has served on the RI Membership Committee & was in charge of the Regional Membership plan for Zones 4, 5 & 6A for 2015-17.

He has been RI President's Representative at District conferences in India, Nepal, Pakistan & Philippines 7 times. He was invited by Dist. 5170 (Silicon Valley) in October 2010 to tour the District for 15 days and address clubs of District 5170 on The Rotary Foundation.

Bharat & Madhavi are committed to The Rotary Foundation and are Level II Major Donors. He has been conferred Citation of Meritorious Service and the Distinguished Service Award by The Rotary Foundation. He has been conferred Rotary's highest award "Service Above Self".

Dr. Madhavi is an Obstetrician & Gynaecologist. She is a Fellow of the International College of Surgeons. She was the Charter President of the Inner Wheel Club of Borivli. She is the District Chairman of the Inner Wheel District 314 for 2017 - 18.

## MESSAGE FROM RI DIRECTOR ELECT – RTN. KAMAL SANGHVI

Dear Friends,

Let's ask ourselves a question: Do we think everything in our life is perfect just as it is? Or are there some changes we would make if we had the chance? If the answer is "yes"... then you have everything you need to be a Rotarian.

Let me explain. A lot of people choose to sail steadily through life on an even keel. But there are some people who are boat rockers.

They go through life making a fuss when things aren't right, and fighting the fights for us that we don't always fight for ourselves. Well, those boat rockers are who we call "Rotarians" – Why? Because we have seen things going on in our lives, or in the world, that we think could be better. And rather than just accepting things as they are, we have done something about it. We have become active.

From the time we're old enough to talk, everyone of us has what it takes to be a Rotarian. We have a voice and an opinion. What are we doing? We are protesting. We're standing up for something. And here's where it gets really interesting. Many of the biggest changes that have ever happened in history have happened because We Rotarians decided to stand up and speak out about something.

Let me give you some examples of people who brought about change. Think of Dr. Martin Luther King and Mahatma

Gandhi, and the great lessons they taught the world.

They showed us that there was a better way to fight for a cause. They showed us that non-violence can win your fight. It was a very, very significant change in the way of the world.

Dr. King told us that: "Sooner or later all the people of the world will have to discover a way to live together in peace...." His lesson was powerful enough to bring real change to civil rights in America, just as Mahatma Gandhi showed his people that non-violent protests could win them independence.

Or think of Mother Teresa who single-handedly worked to alleviate leprosy. If a single person could do this, then what can four people accomplish?

If there was a group of four people with an idea, who could focus their energy, what could they do? Well, they could do something, like, say, set up an organization of fellowship and brotherhood.

That's what four men once did, not so long ago. Their idea grew into something that is now called Rotary International. Which I feel has inspired me to do more, physically and spiritually, that is why I do more.

How often do you hear someone say: "Give up," "Why bother...," and "Nothing you can say or do will ever help..." Well, here's a tip: Don't believe them. They're wrong.

They will never make a difference in this World because they have chosen not to try.

There are Rotarians out there committed to pushing along change. They are out there, everywhere and it is very easy be one of them! The difference between those who are successful, and those who are not, is how they focus their energy.

We Rotarians want our life to count for something, that's why we start thinking about what you can do to make this World a better place to live in.

We Rotarians have promised the World: by the time we're done, they will be truly amazed at what we have achieved. And that is why I am a Rotarian!

Best Wishes,

Rtn. Kamal Sanghvi  
District 3250  
RI Director Elect

## MESSAGE FROM DG - RTN. SHASHI SHARMA

Hearty congratulations and best wishes to The Rotary Club of Bombay on 90 years of glorious service to humanity!

You are one of the pioneers of the Rotary movement in India. This Club has given birth to and nurtures 26 Interact clubs, with about 750 school children as members, and 6 Rotaract clubs with a membership of about 200 college students. There is also a very active Inner Wheel Club.

This is possible solely because not just every subsequent President of the club, but every member of the club, making giant strides in different walks of life as doctors to architects, legal luminaries to bankers, entrepreneurs to educationalists and merchandisers to communicators, is committed to making a difference to our community via Rotary. You, the members of the club, have set an example by your generous donations of money, professional skills, time and energy. Therefore, your illustrious and dynamic present assures us of a promising and inspiring future.

Your projects are path breaking. Whether it is the unique and first 'Elder's Day Care Centre' at Aawas village in Alibaug spread across an area of 2,600 sq. ft., or Echo, the movement to bridge the gap of inequitable education between the public and private sector schools in India, or the vision of converting Talwada into a 'Smart Village', or laying of a water pipeline from the Surya dam reservoir to ADMC and building an overhead storage tank for water conservation, or the Hassanali Tobaccowala Eye Center (HTEC) bringing light to the lives of the visually challenged with surgeries, spectacles, laser treatment, or Bhavishya Yaan program to relieve the deep and disheartening effects of poverty through funding educational opportunities, or various vocational courses being conducted in collaboration with YMCA, or the hi-tech Ajit Deshpande Medical Center for underprivileged adivasis at Talwada - each one of them has responded in an unprecedented manner to the urgent, unmet needs of the target group.

"Teamwork is the fuel that allows common people to attain uncommon results," said Andrew Carnegie. In your esteemed Rotary Club of Bombay, you have demonstrated that not only are common things done in an uncommon way to produce excellence, but also uncommon things are accomplished as though these are common everyday occurrences. In short, you are poised make miracles possible for hundreds of years to come.

## MESSAGE FROM IPP - RTN. RAMESH NARAYAN

Dear Friends,

As we look back with satisfaction, let's look ahead with optimism. This is the time to build upon the successes and learning from the last year and aim high.

A time to think bigger, execute faster and build stronger. The more we do, the more we relieve the misery of a fellow human being. Someone less fortunate than us.

We have in the form of President Vijay Jatia a very astute and seasoned Rotarian.

This is the time to collectively strengthen his hands and do whatever it takes to make the Rotary Year 2018-19 a glorious one.

I personally wish Vijay and Gauri all the very best.

Warm regards,

## "A mobile health van saved my son."

- Afreen Sayyed, Mumbai, Maharashtra

The Reliance Foundation mobile medical van team diagnosed Afreen's son Sohil as severely malnourished and referred him to the Nutritional Rehabilitation Centre in Mumbai. In six months, Sohil's weight increased to 9.5 kg, and he regained his strength.

*These stories testify to Reliance Foundation's undying zeal to create equal opportunities for growth and prosperity in India.*

Touching over 20 million lives with support for Rural Transformation, Health, Education, Sports for Development, Livelihoods, Disaster Response, Arts & Culture, and Urban Renewal.

## NEXT WEEK'S SPEAKER - MS. SOONI TARAPOREVALA

Sooni Taraporevala is an Indian screenwriter, photographer and filmmaker who is best known as the screenwriter of Mississippi Masala, The Namesake and Oscar-nominated Salaam Bombay (1988), all directed by Mira Nair.

Born to a Parsi family. Sooni completed her schooling from Queen Mary school, Bombay.

In 2000, she self-published PARSIS The Zoroastrians of India 1980-2004 which is a traditionally closed off

community since their persecution in Persia, the first and only visual documentation of the Parsi community. A runaway success, the second edition was published in partnership with Overlook Press, NY, in 2004 and is still in print.

She was awarded the Padma Shri by Government of India in 2014. She is a member of the Academy of Motion Picture Arts & Sciences. Her photographs are in the permanent collections of the National Gallery of Modern Art, Delhi & the Metropolitan Museum of Art, NY.

Sooni will be taking us through the history of Bombay in an interesting format titled Bombay v/s Mumbai.
